

[Listening to a Continent Sing: Birdsong by Bicycle from the Atlantic to the Pacific](#)  
by Donald Kroodsma

From [Princeton University Press](#):

Donald Kroodsma knows how to listen to birds and, more importantly for us, can communicate that brilliantly through the written word. His [The Singing Life of Birds](#) will open up bird song to you in a way that you never thought possible. This book, in which he travels from one side of the country to the other listening to birds, promises to be a great read as well. Through the [companion website](#), which you can easily access via QR codes throughout the book, the reader can listen in and experience the soundscape along with Kroodsma.
